**Purpose**

The Board of Health will have written policies describing its activities. These policies are to be consistent with the vision, mission, and values of the Board, with the general policies established by the municipalities of Public Health Sudbury & Districts, and with Acts and/or policies of relevant ministries, including the Ministry of Health and Long-Term Care.

Public Health Sudbury & Districts will also have divisional and program policies in relation to its programs, services and operations. These should be consistent with the Board of Health vision, mission, values, strategic plan, policies and goals.

Board of Health by-laws, policies and procedures will be reviewed and revised as necessary, and at least every two years.
