## **Purpose**

Public Health Sudbury & Districts shall have a strategic plan that expresses the mission, vision, values, goals and objectives of the Board of Health. The strategic plan will:

- Establish strategic priorities addressing local contexts and integrate local community priorities.
- Consider organizational capacity.
- Include input from staff, clients, and community partners.
- Reflect the local, provincial and federal context, and examine key influencing forces.
- Establish policy direction regarding a performance management and quality improvement system.
- Address equity issues in the delivery and outcomes of programs and services.

The Board of Health will ensure that administration:

- Provides an operational plan to implement the strategic plan
- Implements a monitoring plan

The strategic plan will cover a three to five year timeframe, is reviewed at least every other year, and is reported upon regularly to the Board of Health through staff reports during the current timeframe.

The Strategic Plan will set direction for the organization and will be operationalized by the Medical Officer of Health and Chief Executive Officer.
