

Vaccine Toolkit

Welcome to Public Health Sudbury & Districts digital vaccine toolkit! This toolkit is designed to serve as a resource for local businesses and organizations as they navigate COVID-19 vaccination in the workplace. In the toolkit you will find videos, posters, fact sheets, policy templates, and more.

As an employer you have the responsibility under the Occupational Health and Safety Act to take every precaution reasonable in the circumstances to protect a worker. Under the [O. Reg. 364/20: Rules for Areas at Step 3](#) and at the Roadmap Exit Step, all person responsible for a business that is open must have a written [COVID-19 safety plan](#). The Medical Officer of Health has strongly recommended all area employers and persons responsible for a business that is open to develop and implement a COVID-19 vaccination policy.

Vaccination campaigns

Public Health Sudbury & Districts has created vaccination campaigns to encourage vaccination in our communities. These campaigns can be shared with employees to encourage vaccination. Employees or agencies may also submit their motivation for vaccination.
