

Boost your protection against COVID-19 with a booster dose

The COVID-19 vaccine is highly safe and effective. A booster dose provides additional protection against COVID-19 and its variants.

If you are aged 18 and over and it's been **three months (84 days)** since your second dose, help keep you and your loved ones healthy by booking your COVID-19 booster dose today.

To find out if you are eligible and to book your appointment:

- Visit covid-19.ontario.ca/book-vaccine
- Call 705.674.2299 (toll-free: 1.800.708.2505), Monday to Friday between 8 a.m. and 6 p.m.
- Visit covid-19.ontario.ca/vaccine-locations for pharmacy locations and booking information.
- Talk to your primary care provider about vaccination against COVID-19 and booking an appointment
