5.0	APPROVAL/DISCUSSION ITEMS		
5.1	Supervised Consumption Services - Location	S. Calixte provided an overview of the opioid-related deaths for the period of January to November 2020, representing a 59% increase over the same period of time in 2019. Copies of the summary report can be made available, upon request. The importance of focussing on an upstream approach for reducing the number of opioid-related deaths was expressed, as well as the need to secure a location for a Supervised Consumption Service within the downtown
