**MEMORANDUM**

**TO:** Medical Officers of Health and Associate Medical Officers of Health

**FROM:** Dr. Kieran Moore, Chief Medical Officer of Health

**RE:** 2022/2023 Universal Influenza Immunization Program –  
Implementation Package

---

I would like to start off by acknowledging the efforts of yourself and your staff in the planning and implementation of the annual Universal Influenza Immunization Program (UIIP). This fall will be an especially important year for the UIIP as we anticipate the co-circulation of COVID-19, delivery, and administration of the over 6.1M doses of influenza vaccine procured and the continued roll-out and evolving COVID-19 vaccine program.

The purpose of this memo is to provide you with information on the 2022/2023 UIIP.

Please disseminate the attached Q & A documents and Health Care Provider (HCP) letter to HCPs in your jurisdiction.

The Immunization Policy and Programs Unit will continue to engage with your immunization / UIIP program leads to support continued planning, implementation and monitoring of the 2022/2023 UIIP.

Should you or your staff have any questions, please contact Senior Nurse Consultants, Jennifer Lum ([Jennifer.S.Lum@ontario.ca](mailto:Jennifer.S.Lum@ontario.ca)) or Tsui Scott ([Tsui.Scott@ontario.ca](mailto:Tsui.Scott@ontario.ca)).

Thank you for your ongoing support.

Sincerely,

A handwritten signature in black ink, appearing to read "Kieran Moore". The signature is fluid and cursive, with the first name "Kieran" and the last name "Moore" clearly distinguishable.
